A sepia-toned photograph of a landscape. In the background, there is a dense line of trees. In the foreground, there is a body of water, possibly a lake or a wide river, with some reeds or grasses visible along the bottom edge. The overall tone is warm and nostalgic.

You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. * Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul. * With all its sham, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

9 Wins - 10 Losses

The sweat, the desire, and the pride in oneself are what makes an athlete great. Learning to accept defeat as well as victory makes them even stronger.

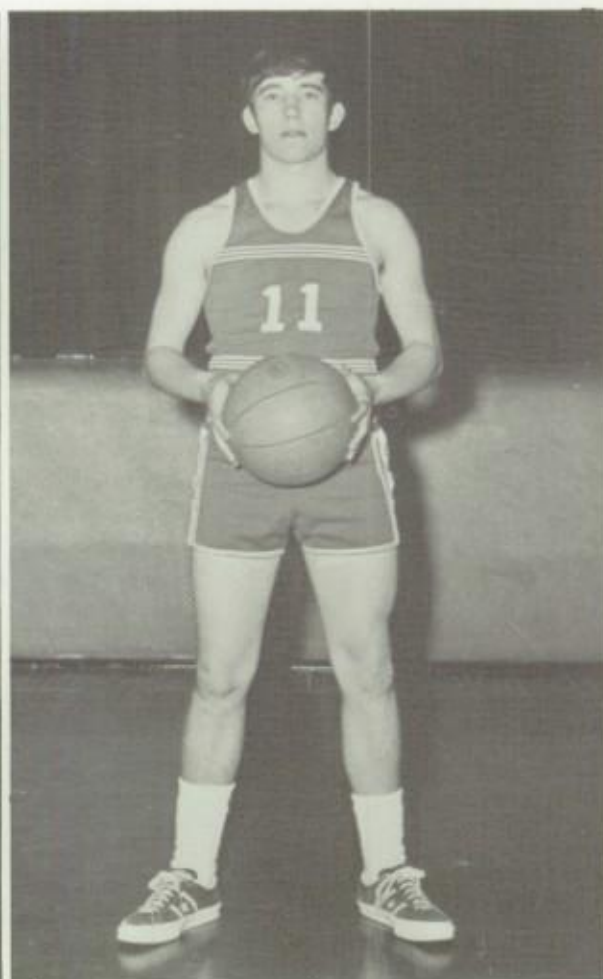

Our 1970 cagers showed all these qualities as they endeavored to coordinate themselves as a team.

This season will be remembered as successful because of the individual and team efforts on the part of our Devils.

Basketball Homecoming Queen
Miss Carolyn Haught

Spirit ran high as the big night drew near. Carolyn Haught was chosen to reign as the 1970 Basketball Homecoming Queen. Lucky Carolyn was crowned before a jubilant crowd by senior Rick Pittenger. It proved to be a memorable evening. The Devils trounced the Indians 74-59. The victory and the dance following were enjoyed by all.

Miss Sharie Joseph, Matt Pannier, Miss Linda Cooper, Lee James, Queen Carolyn Haught, Ed Browne, Miss Lois Long, Mike Kodrich.

Cross Country

Great accomplishments deserve recognition. Our Cross Country Team, which just completed its second season, demands the praise of everyone.

Their record for the past season was 5 wins and 1 loss in dual meets. They were runner-up in District AA competition. Those receiving gold medals were Mike Kodrich and Larry Greasel. Paul Liggitt and John Ullom were awarded silver medals.

Our Tremendous Trio

Determination and work have gained much recognition for Lisbon's star runner MIKE KODRICH. Mike, who performed brilliantly in the cross-country program, again took honors as he broke school records and bettered his own clockings. He broke the two mile timing with a 10:19 clocking. His best timing in the one mile found a 4:29.9 reading.

A team must have pride and determination in order to succeed. It has been COACH TONY KRUKOWSKI'S goal to reach the zenith of success. This gentleman has proven that hard work pays off. The 1971 track season found a flawless record of 8 wins and no losses. Much praise should be given to this man, his team and ideals.

Lisbon High has been most fortunate to produce a state champ this past season. RICK PITTENGER, who not only broke a school record, hurled the discus 175 feet at the state meet to earn a gold medal and a berth on the team of Ohio greats. Rick, who stands 6'7", made a 6'1" gain in the high jump. In doing so, he broke a record held by himself and two others.

Student Council

Living up to its title, the Student Council has been very active this year in school functions. Composed of representatives from each homeroom, club, and class, it has enabled every student to have a voice in the matters concerning his education and activities. Under the guidance of Mr. Jones Student Council has completed many successful projects, the main one being the 1971 Basketball Homecoming Dance. We can only hope that in the future this fine organization of students will continue to uphold the tradition of student democracy in the high school.

C.O.E.

C.O.E. serves three groups: businessmen, teachers, and students. Cooperative Office Education is a terminal course during the senior year in the public high schools of Ohio. It emphasizes the individual skills, knowledges, and attitudes in the stenographic, clerical, and bookkeeping areas.

The student must be 16 years of age, have good personal qualities, and must have developed marketable skills before entry into the program. The student works on the job one-half day and goes to school one-half day. After graduation, the student is considered a qualified, efficient office employee.

O.W.E.

Dave Coleman works at Bye & Bye Hardware

The Occupational Work Experience Program (O.W.E.), under the direction of Mr. Ashton, helps students to develop habits, attitudes, and competencies that are necessary for successful job adjustment and occupational readiness, through actual on-the-job and related in-school experiences. The students are encouraged to realize a need for education and learning by specifically relating school experiences to life experiences. They build better self-concepts and self-understanding in relation to realistic goals. The students spend one-half day in school and one-half day working in places of business in Lisbon.

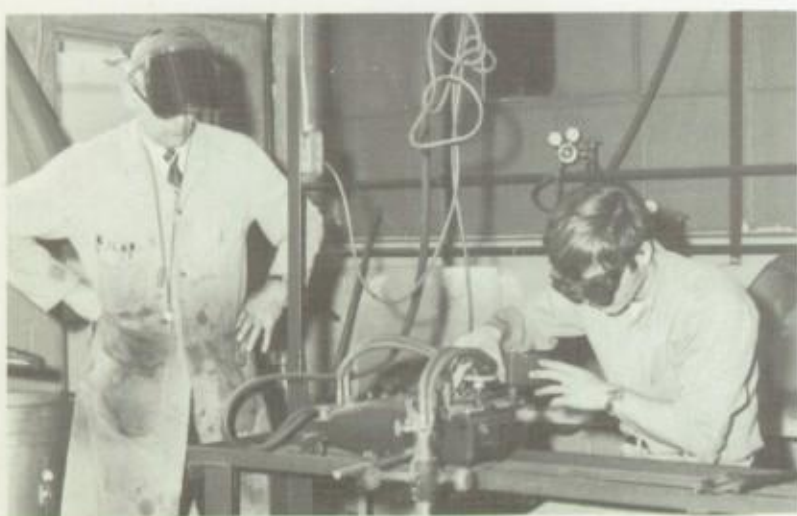

Dave Honeywell works at the Lisbon Pattern Co.

John Sinsley works at T. A. Richardson & Son.

Welding Class

The welding class of David Anderson High has constructed many projects that benefit communities throughout Columbia County. Projects have consisted of two pieces of playground equipment for Leetonia, a stone boat and planning bars for the County Agriculture Office, trivets and napkin holders, tote trays and other various items. At present they are working on other playground equipment. In conjunction with the remodeling program of the school, the class will construct two sets of metal steps, a balcony for lockers in the weld shop including relocation of the shop equipment.

The shop equipment consists of the following: 10 Hobart M. G. Weldors, 2 tig outfits, 1 Mig semi-automatic cutting machine, 1 portable oxygen-acetylene cutting outfit, 10 oxygen-acetylene welding stations, 2 drill presses, 1 power hacksaw, 1 Band-Saw, 1 metal cutting shear, a 20 ton pipe bender, and the necessary hand-tools required by welding students.

The program is two years in length with the student spending two periods in Welding Related studying materials directly related to welding and four periods daily applying the related material to actual use in the shop. This course is available to juniors and seniors. Students who complete the program and attend class eighty percent of the required time receive a vocational welding certificate issued by the State Department of Vocational Education. Final issuing of these certificates is based upon the personal recommendations of each student by shop director, Mr. George Schorsten.

Students' Voice

"Students' Voice" is the school newspaper of David Anderson High. It has always strived to act as a communication means by which students and faculty could exchange ideas and opinions. Its main concern is to keep Lisbonites informed of the changing times, both in Lisbon and in our world.

In the 1970-71 school year, the "Students' Voice" changed its style under the direction of the advisor, Mr. Krukowski.

To the staff members who worked to have a better paper, the graduating seniors leave a sincere hope that the paper will become the best in this area. To the student body and faculty, a promise for increased service in the coming year.

The highlights of the After-Prom were an artist who did caricature sketches, and some delicious pizza.

Tribute to a Teacher

Miss Lucile Bennett

It is difficult to express our gratitude to a person who has devoted her life to youth. Her constant goal was to serve the students of D.A.H.S. This tribute is to Miss Lucile Bennett for the thirty-seven years of her life she gave to us.

Miss Bennett graduated from Lisbon High. She attended Ohio Wesleyan University and furthered her studies at the University of Pittsburgh. Miss Bennett returned to her Alma Mater to teach. She has taught excellently in the fields of Math and History.

Miss Bennett went farther than just teaching. She served as an advisor to classes, clubs, and school cheerleaders. In past years she skillfully advised and worked with the OLYMPIAN Staff.

Her highest goal was to serve youth in every way. She taught ideals as well as book-learning. Miss Bennett always stressed the importance of doing your best at all you try.

The students of David Anderson High respect Miss Bennett as a friend and teacher. We have paid only a part of the tribute due her for her devoted service to us. She will always be remembered wherever her students go.

Library Assistants

ROW I: Mrs. Edgerton. ROW II: Janet Deemer, Randy Roberts, Joel Gray, Cheryl Cibula, Gladys Dowd, Jean Glenn.

In the fall of each year, several students are chosen to serve as Library Assistants for the entire school year. We have been most fortunate to train, under the guidance of Mrs. Edgerton, fine students to assist us in the use of our library. They perform their jobs daily for one period and strive to assist students of D.A. H.S. in the best and most efficient way possible.

SEATED: Mary Vietmeier, Susan Tolson. STANDING: Susan Driscoll, Joyce Jackson.

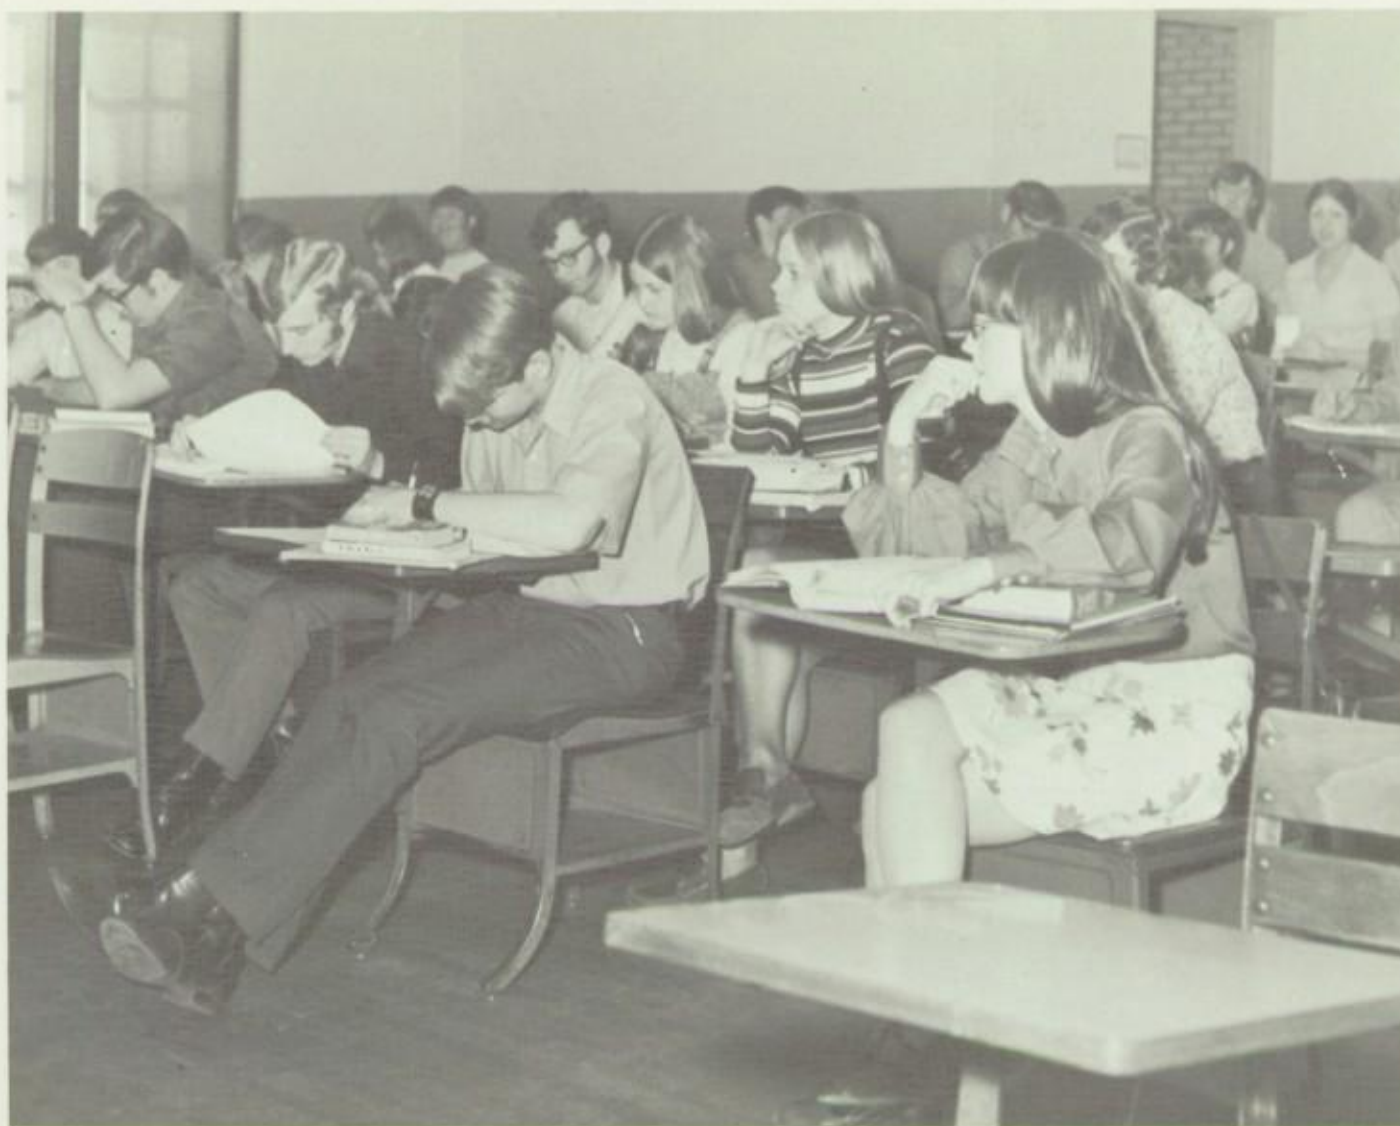

Project Support is a program in which forty high school juniors and seniors participated. These teens were trained this past summer to act as aides to Special Education teachers throughout the county. The aides were selected from various schools within the county.

The directors are Mr. W. Phillis and Mrs. Sally Pisacrhick. The aides were paid for their training last summer and are also paid for meetings they attend each month.

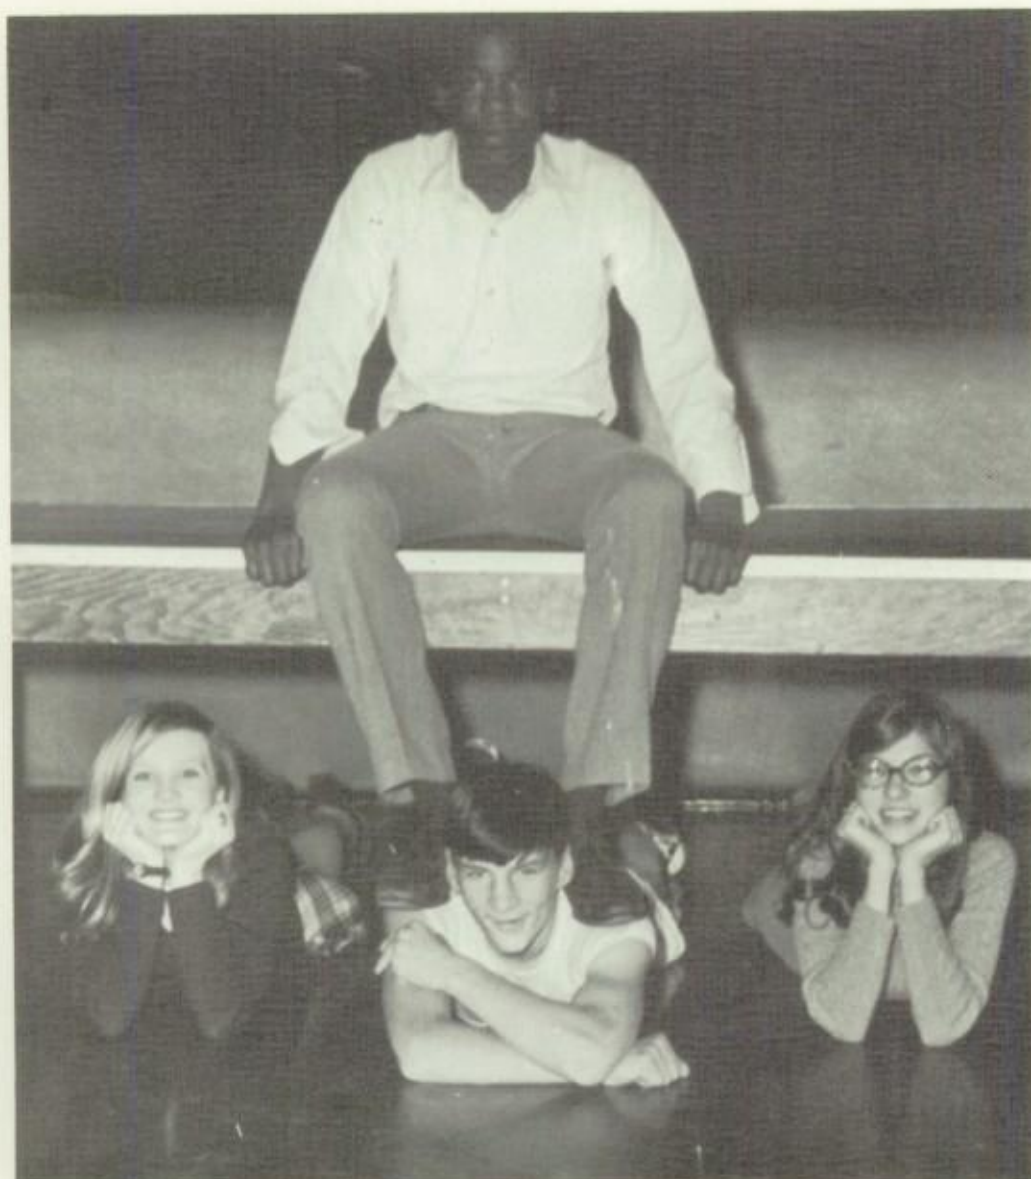

Each aide works a minimum of one school period with the special education classes.

Many activities were conducted by the Project Team such as parties for the retarded, a convention in Florida, and many money raising projects.

101st Commencement

This year for the first time, Baccalaureate and Commencement were held on the same day.

Baccalaureate was a solemn service. The speaker challenged us to seek truth in life.

Commencement was one which will long be remembered. The electricity was off as the result of an afternoon storm. Two spotlights and the microphone were run off a generator. Despite the difficulties the proceedings carried on. The Valedictorian delivered her address on "Life's Dividends." "Involvement" was the topic of the Salutatorian's speech. Diplomas were passed out ending one phase of our life, but leading us into our roles in today's world.

Nancy Ward, Salutatorian,
and Barb Hart, Valedictorian
